REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The claims in the instant application have not been rejected using prior art because no references or reasonable combination thereof could be found which disclose or suggest a footswitch for a dental scaler comprising: a sealed footswitch housing, including a power switch disposed within the housing, a pivoting member operable by a foot to engage and disengage a power switch in the footswitch housing, a circuit energized by the power switch to drive an oscillator for providing power to an ultrasonic transducer in a dental scaler for converting electrical energy to mechanical energy, and a potentiometer for regulating the power to an ultrasonic transducer relative to the movement of the footswitch, and a hydraulic solenoid energized by the power switch for opening a valve disposed in the housing for causing the movement of water through the footswitch housing to the dental scaler; and including a cable for connecting an electrical power supply to the housing; a hose for connecting to a water supply to the housing; remote head for providing an electrical and a fluid connection to a handpiece of the dental scaler and a valve disposed in the head for the adjustment of water flow to the handpiece; and a conductor bundle for providing an electrical and a fluid connection between the footswitch housing and the head as set forth in claims 1 and 8 or a the method of using such a device as set forth in claim 7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
